TERMS OF PROPOSAL

1. This proposal is valid for 30 days from the date of execution and delivery by VIATechnik to the Client, unless otherwise noted.
2. VIATechnik will require current plans in an electronic format prior to commencing work. VIATechnik is not responsible to obtain future revisions. It is the responsibility of the Client to provide such revisions for our use to accurately perform the above scope.
3. VIATechnik shall rely on the accuracy of the plans and is not responsible for design errors that are laid out and constructed according to plan documents provided to VIATechnik.
4. VIATechnik requires a minimum of two (2) days notice prior to commencement of Client's work forces starting in order to meet and maintain the Client's schedule.
5. VIATechnik will be prompt in its response to the Client's request for mobilization throughout the project. Forty-eight (48) hours notice is required for mobilization.
6. Project Management, Quality Control and Administrative support may be required in addition to drafting and engineering time to prepare plans, perform calculations, quality control/assurance checks, et cetera.
7. This proposal is based on the hourly rates set forth in 2015 VIATechnik Engineering Service Billing Rate Schedule and VIATechnik's estimated time to complete the project. Invoices will be based on actual hours worked, billed on a monthly basis, unless otherwise noted.
8. This proposal is made subject to the attached Term and Conditions of Service.
9. VIATechnik disclaims any and all liabilities relating to this proposal, the estimated amount submitted, and any use or non-use thereof by any person, except as set forth in the Terms and Conditions of Service.
10. The Billing Rate schedules for services is valid through December 31, 2015. A revised Billing Rate Schedule will be issued at that time. VIATechnik reserves the right to revise our Billing Rate Schedule at any time.

VIATechnik is committed to maintaining positive client relationships through our work practices and our people. Furthermore, the depth of our resources allows us to respond quickly to meet the demanding needs of today's market place. Combined with our experience we believe VIATechnik brings an advantage that is second to none.

We would appreciate the opportunity to work with you on this project and respectfully request your consideration of our services. If the Scope of Work contained herein meets with your approval, kindly acknowledge your acceptance by signing the attached proposal form, and returning electronically. If you have any questions please do not hesitate to call our office at your convenience. Thank you for this opportunity.
